GENERAL REFERENCE LIST FOR MOOTERS

Organiser of the LAWASIA International Moot Competition

GENERAL REFERENCE LIST FOR MOOTERS

These resources are intended to serve as a starting point for the research necessary to effectively deal with this year's Moot Problem. They are representative of a much larger number of available resources and their listing is NOT an endorsement of any of them or even an indication that they are superior to other available references.

A Team's score for their Memorials or for their oral presentation will not be based on the use or nonuse of any of these specific references.

WARNING: It is important to understand that any judicial decisions provided or discussed in the referenced materials do not emanate from the (fictional) jurisdictions used in the Problem and therefore are not "controlling precedents" in these jurisdictions.
